Offa's Dyke †

Kit Johnstone, Ph.D.
Prestatyn, 2006

9 Prestatyn came afternoon late,
Travelling you forgot what day what date.
The day was hot calm the sea be,
The sky so clear Great Orme you see.

Kit Johnstone, Ph.D.
Wilderness, 2010

† The Offa's Dyke itself ran 149 miles along the English-Welsh border from the mouth of River Dee to that of River Severn.
